FIRE DEPARTMENT: The new building will begin as soon as a few site improvements are completed. The retaining wall is in and from the street it looks great!

Veterans Memorial Tribute: Over 1,200 names have been submitted for the Wall and the committee is in the process of verifying the names and service records. We are gratified that the response has been so great, it far exceeded our initial expectations! Thank you! The Dedication Plaque and the Oviedo Fallen in Service plaque will be installed on a free standing granite feature adjacent to the flag pole and main entrance. This area will provide additional space for names to be added later.

The Rotary Club of Oviedo donated and installed the new clock at Oviedo on the Park.
