

Rec Rock

We would like to welcome you to the Rec Rock climbing wall. Whether you are an avid climber or just starting out, we have routes to challenge you. Our gym offers an auto belay system that uses hydraulic safety brakes to slowly and automatically lower you to the ground after you've climbed our wall. Absolutely no experience necessary! Our staff will help you gear up and show you how to use the auto belays within minutes.

Climbing is accessible to a wide variety of ages, shapes, sizes, and levels of fitness. If you need help or if you just want some "beta" on our newest route, our friendly and knowledgeable staff is always there to assist you.

So bring your kids, your wife, your date, your girl scout troop, your roommate, your neighbor, and your cousin Jim and let's go rock climbing.

Get over here. What are you waiting for?
