Winter Irrigation Schedule Begins November 6th

With the conclusion of Daylight Savings Time, the City's Winter Irrigation Schedule begins. The City of Oviedo maintains two (2) irrigation schedules in accordance with the State water use Rule 40C-2.042: (1) a potable water irrigation schedule and (2) a reclaimed water irrigation schedule.

In the winter time, irrigation is reduced to one time per week from potable water sources. The rule does **not** apply to reclaimed water.

See the charts below to determine your irrigation schedule.

If you have any questions, please contact Jay Stainer, Water Conservation Coordinator, at jstainer@cityofoviedo.net.
