# VETERANS TRIBUTE

at Oviedo on the Park

The Tribute is situated on Center Lake with grassy areas nearby. Names of veterans are etched on a low wall across from *The Fountain of Service*. A small stage is adjacent to the site.

## "The Fountain of Service"

Military branches are presented on polished granite blocks. Water flows from each into a common trough, moving slowly and seems to disappear into the lake. This represents the idea of honorable separation and sacrifice.

*A place for reflection . . .*

The Oviedo Veterans Tribute honors the courage and sacrifice of those who served or are serving in the armed forces of the United States of America and provides the citizens of the Oviedo area a place to remember and thank those veterans who committed themselves to protecting our rights and freedoms.
