Back to School Safety Tips for Drivers

- ⌘ Expect delays near schools. Know your route, plan ahead, start early, allow extra time to reach your destination, and obey the posted speed limit.
- ⌘ Be alert and slow down. Reduce any distractions inside your car so you can concentrate on the road and your surroundings. Put down your phone and do not talk or text while driving.
- ⌘ Review the rules regarding stopping for a school bus with stop arm activated and flashing lights at <http://www.meldonlaw.com/faqs/what-are-the-rules-in-florida-regarding-stopping-for-a-school-bus/>
- ⌘ All passengers should wear a seatbelt and/or ride in an age and size appropriate car safety seat or booster seat. Children of all ages are safest when properly restrained in the backseat of a vehicle.
- ⌘ Exercise extra caution when heading out to work and be on the lookout for school buses. Many bus routes or schedules change each year and you may encounter a school bus or stop where you may have never seen one before. Be alert. For many children, this may be the first time they have ever traveled on a bus.
- ⌘ Come to a complete stop, take extra time when making a right turn on a red light, and be on the lookout for pedestrians.
- ⌘ School Zones: Slow down and be especially alert in residential neighborhoods and around schools. Be alert to children when backing out of your driveway or exiting your garage.
- ⌘ Motorists not involved in dropping off or picking up students should consider adjusting their route or schedule in order to avoid arrival and dismissal traffic in front of schools.
- ⌘ Park only in lawful areas. Parking within 20 feet of a crosswalk is against the law and can obstruct visibility for both pedestrians and motorists.
- ⌘ Unload school children onto the sidewalk or the right side of the vehicle. Unloading school children into a traffic lane could put a child in harm's way.
- ⌘ Instruct children to remain alert and look left, right, and then left again before crossing the street.
- ⌘ Pedestrians should not use cell phones to talk or text or wear headphones when crossing the street.
- ⌘ Safety on the road is especially important for "new" drivers that may be driving to school for the first time.
- ⌘ New high school age drivers may be pressured to give rides to and from school to many of their friends who are not yet driving. It is especially important not to fill a vehicle with passengers until the new teen driver has had plenty of driving experience by him/herself or with just one passenger, as we make school safety a top priority. If you are under the age of 18 and get pulled over in the City of Oviedo, your parents will be contacted.

August 31st • 5-9 pm

Help Stop Wasting Our Wetlands

- ❖ Only rain down the drain!
- ❖ Dispose of chemicals and toxins responsibly
- ❖ Pick up after your pets
- ❖ Wash your car on the grass or at a car wash
- ❖ Don't fertilize during the rainy season
- ❖ If you have reclaimed water, don't fertilize at all
- ❖ Hold a community clean-up day – walk around ponds and conservation areas – you'll be surprised how much trash you collect
- ❖ Never blow yard clippings or leaves into the street
- ❖ Always report illicit dumping to (407) 971-5682 – we can stop the dumping, we can't stop the effect

Remember When...

RECREATION & PARKS DEPARTMENT

Gym & Athletics:

- * **Indoor Cycling** - Tuesday and Thursday evenings (6-7pm). Daily rates apply. Packages of 20 visits or an unlimited annual option are available for purchase.
- * **Fall 2017 Adult Flag Football** - Registration is underway through September 1st or until full. Games begin September 10th.
- * **Fall Adult Basketball** - Registration is underway through September 11th or until full. Games begin September 17th.
- * **Fall 2017 Session 1 Archery** - Registration is underway through August 24th or until full. Classes begin August 26th.
- * **Fall 2017 Rock Climbing League** - This program is for children 6 to 14 years of age. Registration is underway through September 12th or until full. Classes begin September 14th.
- * **Start Smart Soccer** - This program is for children 3 to 5 years of age. Registration begins August 14th and will continue through September 22nd or until full. Classes begin October 3rd.
- * **SNAP Club** - Wednesday, August 16th at Riverside Park. This program is designed specifically for those with special needs, teenage and up. Participants must be accompanied by a companion. Activities include games, craft time, potlucks, bingo, and more! \$25/City Residents, \$30/Non-Resident Members, \$35/Non-Residents.
- * **Sunshine Dance** - Friday, August 18th at Riverside Park, from 7pm to 9pm. Come dance the night away! The City of Oviedo, in conjunction with the Oviedo/Winter Springs Optimist Club, is offering dances to teens and adults who are physically and/or developmentally challenged. For more information call (407) 971-5575.

Aquatics:

- * **Swim Lessons** - Registration for September is right around the corner. Registration for City residents will begin August 24th at 6pm. Non-resident registration will begin August 26th at 8am. All registrations take place at Riverside Park. Classes will go back to the Monday/Wednesday and Tuesday/Thursday format. For more information, please contact Pedro at pvasconcellos@cityofoviedo.net or visit www.cityofoviedo.net.
- * **Training Cudas Swim Team** - This is a novice swim training program designed for youth ages 6-13 years of age. The team is set up as a training team only during the school year. They will not compete in swim meets. The purpose is to work on endurance and strokes. The Training Cudas swim team resumes in September. Practices are Tuesdays and Thursdays from either 6-7pm or 7-8pm. Registration begins on Saturday, August 19th at 9am. Swimmers must be previous participants, Barracuda swimmers, or must have a certificate from the previous swim lesson program confirming advancement. For more information, please contact Pedro at pvasconcellos@cityofoviedo.net or visit www.cityofoviedo.net.

Feeling the sting of mosquitoes?

Then it's time to:

**DRAIN
AND
COVER**

A series of blue icons: a water tap with water spraying, a pair of pants, a white shirt, a bottle of repellent, and a house with a screen on the door.

Stop mosquitoes
from living and multiplying around your home or business.
Protect yourself
from mosquito bites and the diseases they carry.

DRAIN STANDING WATER.

DRAIN: Garbage cans, house gutters, pool covers, coolers, toys, flower pots or any other containers where sprinkler or rain water has collected.

DISCARD: Old tires, drums, bottles, cans, pots and pans, broken appliances and other items that aren't being used.

EMPTY AND CLEAN: Birdbaths and pets' water bowls at least once or twice a week.

PROTECT: Boats and vehicles from rain with tarps that don't accumulate water.

MAINTAIN: The water balance (pool chemistry) of swimming pools. Empty plastic swimming pools when not in use.

COVER YOUR SKIN.

CLOTHING: If you must be outside when mosquitoes are active, cover up. Wear shoes, socks, long pants, and long sleeves.

REPELLENT: Apply mosquito repellent to bare skin and clothing. Always use repellents according to the label. Repellents with DEET, picaridin, oil of lemon eucalyptus, and IR3535 are effective. Use mosquito netting to protect children younger than 2 months.

COVER DOORS AND WINDOWS WITH SCREENS. Keep mosquitoes out of your house. Repair broken screens on windows, doors, porches, and patios.
